

Joe and Linda Graceffo, Pacific Horizons, filled in for Cruise Captains Tom and Eileen Dereniwski, Sea-Sea Rider, and Bob and Jackie Scott, who helped organize but were unable to attend.

Friday, September 1, started with the raft-up in the morning with many of the Pre-Squirrel Cove members and continued into the afternoon as other boats arrived. Around 5:00 p.m. appies were starting to come out and everyone moved carefully from boat to boat, grouping together mostly in the middle of the raft. The weather was sunny and quite hot which carried on into the evening.

Saturday, September 2, was a relaxed day with many people hiking, kayaking, paddle boarding, swimming and setting traps.

The hot sunny weather continued. In the evening everyone took their tenders over to Dog Island where Joe and Linda and their guests, Harold and Wendy, barbequed smokies. Members brought over appies and sweet goodies to enjoy before and after dinner.

Linda had a 'toilet paper' game planned and we learned a lot about what people liked and wanted to improve about their boats and even their partners. Fun was had by all and everybody went away with toilet paper!

*1 David and Albert, the game winners!*

*2 Don and Judy hitch hiking a ride to their boat*

The sunny weather continued Sunday, September 3, and we spent another relaxing day

like the day before. Some attended the market in Squirrel Cove.

It was decided to have a potluck dinner on "All That Jazz" at 6:00 p.m.

Afterwards a sing-a-long was organized with the musicians seated up top on All that Jazz. Jack, Albert, Ray and Sue played guitars and led the singing while club members sat on boats or in their dinghies and sang along. Very enjoyable.

Monday, September 4, saw many boats departing as early as 10:00 a.m. or so.

Great weather and a good time was enjoyed by all.
